

## A Love So Pure

Underoath

Always did it on my own then one day I realized  
I was blind,, nothing I could do on my own  
Turn, we have found a way to see, look up... feel the Almighty  
Take control as we gaze into your eyes  
We're just the tool you use to bring this world to you  
Oh, Lord, how we love you  
With your grace, take away the hurt and the bruises inside,  
reach down let your glory reside  
The cross carried for all of us, paint the image in my mind  
So I will never think I am something,  
but nothing am I but you, you are something  
Lord you keep me alive, you give me rest at night  
When there seems no way to find calmness in the storm you come  
and  
take me in your arms and then the waves drown me no more  
With you I'll last this battle and many others  
Through the ages your name will reign forever... never to be re  
placed  
In these trials I face, I pray you humble me  
Humble me I want to be like you Jesus more and more like you  
I was crucified on that day with Christ  
Nailing you there with sin, accepting you  
I nailed my soul to the cross and now my life begins  
This world so cold but your love keeps me warm  
My father holds me in his nailed scarred hands which I put ther  
e  
But for some reason he still loves me with all his heart  
Even through I betray him constantly  
He always keeps his arms open waiting, till I give up my old wa  
s  
God my father, you are the only one that can give me comfort  
You touch my heart in such a way that all I can do is cry your  
name  
Jesus Christ I love you  
My heart aches for your love
