

Everything
Everything

I'm invisible
I'm invisible

An eraser of love
An erazor of love

Why don't you call me I feel like flying in two
Why don't you call me I feel like flying in two

An eraser of love
An erazor of love

Why don't you call me I feel like flying in two
Why don't you call me I feel like flying in two

An eraser of love
An erazor of love

I don't dream
Ice cream
I scream so much
You know what I mean
This electric stream
And my tears in league with the wires
And energy and my machine
This is my beautiful dream
I'm hurting no one
Hurting no one
I want to give you everything
I want to give you energy
I want to give a good thing
I want to give you everything

Everything
Everything

In one final scream of love who could
Climb this high she looks beautiful
Like a child I feel tears
And I want to scream
You know what I mean
Cause this is hurting no one

An erazor of love

Hurt
The necessary feeling
Why don't you call me I feel like flying in two
An erazor of love
