Glory! Glory! Glory! GLORY! Hey I bring you joy - I bring you love But you walk away Always walk away Hey you look down on me from above And I see my fate And I'm not enough But - like a dog, I come crawlin' back to you Crawlin' back to you You wanna play God I can see it in your eyes See it in your eyes Huh! Glory! Glory! Glory! GLORY! Take it from the rich And give it to the poor Oh yeah you wanna take it from the rich And give it to the poor Take it from the rich and somehow Give it to the poor Ha!
