Up on the mountain  
The midnight faces  
Everybody got some  
Big emotion

Up on the mountain  
Big emotion  
Same ambition

King of snake  
Snake, snake  
Snake, snake  
Twenty four hours  
With the king of snake

King of snake, king of snake  
Twenty four hours  
With the king of snake

Snake, snake, snake, snake  
Snake-fighting, it's very scary fighting snake  
Very dangerous, so is very po-popular  
At midnight everybody dancing on street

Here, everyone with same identity  
Down their sake, sake is  
Very strong, like vodka  
Very dangerous, so everyone get a rolled

Up ne-newspaper, set it on fire  
And put it in between  
Snake-fighting, life  
Strong food answering drink at midnight
