Tina lives in Berlin her voice so seldom
On my machine is here tonight
And I'm on the market
And when I'm on the market
Words move faster
Wire and clouds move thin between us
Like a skin
Like a salty skin
For a seed
A fat circles
Smiling smiling
Her voice so interntionally
Smiling and a clouds between us
These are my intentions
These are my intentions

Kiss me I see you

I know about you I been told about you
You were waiting
And the wind's waiting for me to call
And you were waiting and the air where it's thin
Coming thru the tiny holes
Your hunger
Coming thru the tiny holes your finger
Coming thru the tiny holes and the edges of the night
And the tips of your wings are coming through the tiny holes
