

River of Bass

Underworld

To touch. To taste
She flows like a river of bass vibration
To touch. To taste
She flows like a river of bass vibration

Sweet water
Sweet water
To touch
To taste
You flow like a river of bass vibration
Sunshine surrounds me
Showering above their greed
Sunshine surrounds me
Showering above the greed

To touch
To taste
You flow like river of bass vibration
To touch
To taste
You flow like a river of bass vibration

Take me down
To your river of sweet release
Take me down
To your river of sweet relief

Everyone is sleeping
This needle is release
Sitting on a mountain
Companies could see
Listening to a whisper

To touch
To taste
You flow like a river of bass vibration

What is in the thornbush
A thornbush in my head
I'm a snowstorm
I'm a shaker
Sometimes I regret the things I say

To touch
To taste
She flows like a river of bass vibration

Take me down
To your river of sweet release
Take me down
To your river of sweet relief

From Chelsea to Essex
Every room
In every sweet cocoon
Chelsea to Essex
In every room

In every sweet cocoon
Sometimes I feel her coming
From the other side of the world
Sometimes I feel her coming
from the other side of the world

To touch
To taste
She flows like a river of bass vibration
