

Watch It Burn

Unearth

No longer on your side, No longer within your prison
No longer here to speak with a positive spin on society

So sick of your politics, so sick of your fading religions
So sick of the endless lies that ignite and divide; it's homicide

This is the reason your walls are coming down

Did you even hear a word I said? Torch it all; torch it all
Did you even hear a word I said? Watch it burn

The writing's on the wall
Watch it burn

So tired of your ignorance, so tired of your passing trends
So tired of your predictive script, you're all dead inside
So tired of your predictive script, you're all dead inside

It was supposed to be better than this
Can you imagine why?
The path of no return has killed all reason to believe

A paradox in the vow you've taken. Engulfed in your own world
The tried and true are now unspoken. God save you all

Did you even hear a word I said? Torch it all; torch it all
Did you even hear a word I said? Watch it burn

The writing's on the wall. The writing's on the wall. Watch it burn

Can you imagine why?
The writing's on the wall
We're all paralyzed
Ours has died

Paralyzed
Hope has died.
Paralyzed
Our hope has died
Our hope has died.
Our hope has died
Our hope has died
Our hope has died
Our hope has died
Our hope is dead

Burn your eyes on our setting sun,
Burn out your eyes
