

# Unfed Pendulum

Unexpected

Hazy...need some nourishment...  
Feed me some delectable time  
Feed me tasty impulses  
Gear-wheels all shouting in unison: FEED ME !!!!

Destabilization of the gapless mechanism: C-O-M-P-L-E-  
T-E  
You must be aware that I drag the past, grab your map  
and reign supreme  
I swing the currents...Hypnotize...  
Carry on...carry on...  
Don't ignore me...

Hull is breached  
This inner sanctum is being bleached  
The unfed pendulum is starved

It was in Limbo...doing the eternal Mambo  
...and I screamed...and I screamed...and I screamed for lunch  
Not a Tick, not a Tock, not a Tick-Tock snack to be  
found  
( Where was the Cuckoo ??? )

El takidnys sed selliugia  
El takidnys sed selliugia eralced (enu everg)  
Numbers on strike

Hull is breached  
This inner sanctum is being bleached  
The unfed pendulum is starved

Mathematical cartilage of the eternal spin  
Too busy to care  
The engine disintegrates and disrupt the circular  
ritual  
Devour life, feed the clock ( ME!!), dance with a dead  
corpse  
and don't forget to remove your boots ( politeness !! )  
This biological network filed an official complaint

Hecatomb of a wavering signal...  
Slipping between the keys, being nothing more than a  
presence on hiatus...  
...waiting for some inputs...vacuumed by life...  
...but my life is safe...

Emptiness took my hand to ease me  
Imagine stillness, but even slower  
Immaterial massage, pizzicato of the cortex  
Motions vibrating between inaccurate time spheres

I move on the bomb of my memories  
Squeeze the motives tormenting this surface
