

# Lady Babylon

Unholy

Sweet kiss of Hemp  
I want to be eternally dazed  
Forever and ever and ever  
Sweet Lady Babylon  
In lips She is Sweet  
Of Spirit of Venus...

I feel my dream is so deep  
Shout to the wind and let  
Lady Babylon touch yourself  
Who can be right and who can be wrong

How the time hunts your life  
Great secret is going to  
Ruin your consciousness  
I am so deep but so high...
