

## Children Stories

Union 13

everybody has a story told day by day  
as the world keeps on turning, this life gets worse and worse  
it's a typical story it happens everyday  
it's the human struggle with the common threat  
we struggle for a better day

Verse

i'd rather fight and keep on fighting, than die on my knees!  
i'd rather keep fighting and fighting, and die for  
what i believe!
