

Amaze Me

Union J

Little things that you do, that we share,
me and you, are air I breathe.
You supply me with such wonder stuff
Just one touch is all i need.

It feels like I'm falling in the sun,
even on stormy, days in every way,
it feels like we're one.
As we watch the years go by,
feels like we're still flying high.

Baby you amaze me,
you still knock me off my feet.
And who would have ever guessed,
it would last,
through it all the reason I believe.
Can't you see?
You still amaze me.
You still amaze me.

Funny how every time that I'm down,
You pick me up, you stand by me.
People ask, "What's the deal?
Why you still so in love?"
Maybe it's meant to be.

It feels like I'm falling into sun,
Even when life is like a fight,
I feel like we've won.
As we watch the years go by
Feels like we're still flying high.

Baby you amaze me,
you still knock me off my feet.
And who would have ever guessed,
it would last,
through it all the reason I believe.
Can't you see?
You still amaze me.
You still amaze me.

It feels like I'm falling in the sun,
even on stormy, days in every way,
it feels like we're one.
As we watch the years go by,
feels like we're still flying high.

Baby you amaze me,
you still knock me off my feet.
And who would have ever guessed,
it would last,
through it all the reason I believe.
Can't you see?
You still amaze me.
You still amaze me.

Ooh you still amaze me.

You still amaze me.
You still amaze me.
