

# Get It Right

Union J

(Hey, hey, hey, hey  
Hey, hey)

We've been holding on  
Stronger, now we made it to the shore  
The hurricane won't follow us no more  
And together we know what we're fighting for  
(Hey, hey, hey, hey)

Cause we're here to stay  
Living in the moment, it's our day  
Know the love we had it still remains  
Never going back the way we came  
(Hey hey, hey hey)

Cause we've been waiting for this all our lives  
But we'll try to get it right, get it right  
Yeah I swear we'll get it right  
All alone, you and I  
Been the one thing to survive  
I see the love in your eyes  
As I lay with you tonight  
Every time you and I  
Oh, I swear we'll get it right  
Singing oh, oh, oh, oh, we'll be alright  
Singing la la la la la and we'll be alright  
Singing oh, oh, oh, oh, we'll be alright  
Singing la la la la la and we'll be alright

Our victory, is learning how to live and what we'll be  
Don't forget we're making history  
Promises are built on what we dream  
(Hey, hey, hey, hey)

Cause we've been waiting for this all our lives

But we'll try to get it right, get it right  
Yeah I swear we'll get it right  
All alone, you and I  
Been the one thing to survive  
I see the love in your eyes  
As I lay with you tonight  
Every time you and I  
Oh, I swear we'll get it right  
Singing oh, oh, oh, oh, we'll be alright  
Singing la la la la la and we'll be alright  
Singing oh, oh, oh, oh, we'll be alright  
Singing la la la la la and we'll be alright

Get it right, get it right  
Yeah I swear we'll get it right  
All alone, you and I  
Been the one thing to survive  
I see the love in your eyes  
As I lay with you tonight  
Everytime you and I  
Oh I swear we'll get it right

Get it right, get it right  
Yeah I swear we'll get it right  
All alone, you and I  
Been the one thing to survive  
I see the love in your eyes  
As I lay with you tonight  
Every time you and I  
Oh, I swear we'll get it right  
Singing oh, oh, oh, oh

We'll get it right, we'll get it right, we'll get it right

Singing oh, oh, oh, oh

We'll get it right, we'll get it right, we'll get it right
