

Satellite

Unkle Bob

I heard it on the radio
The singer's got a sad, sad song
I think I'm gonna sing along

And I don't know what I'm doing
Don't know where the world went wrong
Don't know where the pain belong

Who do you think you are?
You're not a star
You're just a satelllite, a satelllite
What do you think you know?
I'm letting go
Cause you're just a satelllite, a satelite

I heard it on the radio
The singer's got a sad, sad song
I think I'm gonna sing along

And I don't know what I'm doing
Don't know where the world went wrong
Don't know where the pain belong

Who do you think you are?
You're not a star
You're just a satelllite, a satelllite
What do you think you know?
I'm letting go
Cause you're just a satelllite, a satelite

Satelllite, satelllite
What do you want me to be?
What do you want me to be?
What would you say that I am?
What would you say that I am?

Who do you think you are?
You're not a star
You're just a satelllite, a satelllite
What do you think you know?
I'm letting go
Cause you're just a satelllite, a satelite
