Caged Bird

The wind did blow Across the valley So we can run Under illusion This one dream I see is true The caged bird Sings the blues For you This one dream I see is true The caged bird Sings the blues For you I know where we can fly Into, into thin air Something to believe Or beware Into thin air Something to believe Or beware Into thin air Oh I know where we can fly Hold on Oh someway To break the cage And route the Rage to love Love Oh for so many nights A prayer to breach That star you'll Reach tonight Into, into thin air Something to believe Or beware Into thin air No light despair Into thin air Something to believe Hold on It's all a dream It seems to Feel the air you breathe There's so much needing We are believing Hold on
