Hold My Hand

Hold my hand I need you now Slow me down I don't know how Hold my hand I need you now Slow me down I don't know how Are you living the feeling? The highs, are they worth seeking? Nothing's like believing Are your drugs healing? Hold my hand I need you now Slow me down I don't know how Hold my hand I need you now Slow me down I don't know how Are you really living? Or do you seek loving? Are you happy being? Or do you search for meaning? Are you ever asking Questions, they need answering You're not really hearing You really need releasing A million pieces broken A million secrets unspoken A million pieces broken A million secrets unspoken Hold my hand I need you now Slow me down I don't know how Hold my hand I need you now Slow me down I don't know how Dirty games Na-na-naa Dirty games Na-na-naa Secrets everywhere Secrets everywhere
