Lonely Soul

God knows you're lonely souls God knows you're lonely souls God knows you're lonely souls Yeah, yeah

I believe there's a time and a place To let your mind drift and get out of this place I believe there's a day and a place That we will go to, and I know you want to share.

There's no secret to living (There's no secret to living) Just keep on walking There's no secret to dying (There's no secret to dying) Just keep on flying.

I'm gonna die in a place that don't know my name I'm gonna die in a space that don't hold my fame. God knows you're lonely souls God knows you're lonely souls.

I believe there's a time when the cord of life Should be cut, my friends (Cut the cord, my friend) I believe there's a time when the cord can be cut And this vision ends (Let this vision end).

But I'm gonna die in a place that don't know my name And I'm gonna cry in a space that don't hold my fame.

Walking in the cold Just keep on flying There'll be a searchlight On the mountain high

God knows you're lonely souls Yeah yeah yeah yeah

I'm a lonely soul.
I'm gonna die in a place that don't know my name
I'm gonna die in a place that don't know my name.

God knows you are lonely souls Lonely souls Lonely souls I'm a lonely soul.

So long, little chapel Pack up your light Pack up your light Say goodbye to the holy water life Oh Ah
