UNKLE

Forget everything and remember  
You got the fear  
Forget everything and remember

You got the fear  
Forget everything and remember  
You got the fear  
Forget everything and remember

You got the fear  
You got the fear  
Forget everything and remember  
You got the fear

F.E.A.R.  
Forget everything and remember  
F.E.A.R.

You got the fear  
Forget everything and remember  
Forget everything and remember  
Forget everything and remember

You got the fear  
Forget everything and remember  
You got the fear

Forget everything and remember  
You got the fear
