

# Panic Attack

UNKLE

As I juxtapose  
Between lock and load  
Gotta cut some slack  
Between these back to back panic attacks  
(panic attack panic attack)  
I love the madness  
It's killing me  
Our love is behind  
And i'm so blind i cannot see  
As i juxtapose  
In between lock and load  
Gotta cut some slack  
Between these back to back panic attacks  
(panic attack panic attack)  
I love the madness  
It's killing me  
Our love is behind  
And i'm so blind i cannot see  
I love the madness.

As i juxtapose

Between these back to back panic attacks

I love the madness  
It's killing me
