

Little Blu House

Unknown Mortal Orchestra

Little blue houses
Sitting high on the mountainside
Little blue houses
Sitting high on the mountainside

Oh, to be high on the mountainside
Oh, to be high on the mountainside

Maybe all the wolves could lose my scent
and I could stay here for a while

Little safe houses
Sitting high on the mountainside
Little safe houses
Sitting high on the mountainside

Oh, to be safe on the mountainside
Oh, to be safe on the mountainside

Maybe all the wolves could lose my scent
and I could stay here for a while

Little blue houses
Sitting high on the mountainside
Little blue houses
Sitting high on the mountainside

Oh, to be high on the mountainside
Oh, to be high on the mountainside

Maybe all the wolves could lose my scent
and I could stay here for a while
