

Thought Ballune

Unknown Mortal Orchestra

Building islands in the sky
While I'm a prisoner in my mind
Will my mommy tell me why
Sometimes a wrong is a right

I'm a smiling alligator and
I tell lies that ring true later
So much _ when we inflate a
Thought Balloon
(2x)

Flying out into the night
Why do I feel so uptight
Is it darkness or the light
Sometimes a wrong is a right

I'm a smiling alligator and
I tell lies that'll be true later
So much air when we inflate a
Thought Balloon
