Thought Ballune

Unknown Mortal Orchestra

Building islands in the sky While I'm a prisoner in my mind Will my mommy tell me why Sometimes a wrong is a right

I'm a smiling alligator and I tell lies that ring true later So much _ when we inflate a Thought Balloon (2x)

Flying out into the night Why do I feel so uptight Is it darkness or the light Sometimes a wrong is a right

I'm a smiling alligator and I tell lies that'll be true later So much air when we inflate a Thought Balloon (4x)
