

Cannibalistic Epidemic Continues

Unleashed

O taste the goodness
Of our God
And eat his flesh
And drink his blood
Come and partake
In the gospel feast
Be saved from sin
And feel at peace

Cannibalistic epidemic continues
Cannibalistic epidemic continues

Embrace the Holy Communion!
Eat - this is my body
Drink - this is my blood

Give not that which is holy
To the dogs
Honour me as I die
Don't share me with hogs

Cannibalistic epidemic continues
Cannibalistic epidemic continues

Embrace the Holy Communion
Eat - this is my body
Drink - this is my blood

Cannibalistic epidemic continues
Cannibalistic epidemic continues

Embrace the Holy Communion
Eat - this is my body
Drink - this is my blood
Eat - this is my body
Drink - This is my blood
