CEO

Unleashed

Rich parents an dpoor hygiene Born in the 40's to a life of luxury You sucked all the right cocks well To get a really nice job your dad can tell You call home and say you're working late But there is another thing now that just can't wait...

What a leader the CEO! His big secret just doesn't show He pays a girl to get him through Puts on his diaper and feed him gruel

A big house, the suburban dream you have A boring ass wife and a daughter crack queen You drink drive the brand new car And just bribe another cop when you get caught You whine out loud 'bout the income tax Because the monthly 5000 Euros never last
