Execute Them All

Unleashed

As my final call Sounds the charge ...to war I hate the universe and everything inside I detest all I see, nothing pleases my mind Execute them all It's my final war I hate the sight of you, fashion fake Joke I detest every man who cannot stand Alone Execute them all It's my final war As my final call Sounds the charge ...to war I hate the tales you tell, I don't Believe a word I detest the stuf you sell, I'll hunt You around the world Execute them all It's my final war When my days are numbered you'll hear My final call I'll take their lives away, I'll execute Them all Execute them all It's my final war Execute them all It's my final war
