

Into Glory Ride

Unleashed

Once upon
An evil time
Up in the north
Mighty men

Fought and died
By the sword
Onward into glory ride
Into battle

Sign of the hammer
Be my guide
Standing proud
In victory

Into glory ride
Onward into glory ride
To Birka we sail
(Birch Island)

And celebrate
Hail Thor
And the fallen
Join with Odin

At slain hall
(Valhalla)
Onward into glory ride
