

## Legal Rapes

Unleashed

Rape, a legal sport, a hunt for joy  
Just another life to be destroyed  
First he raped your daughter and then your  
Wife  
Then he smiles and says it's not a crime  
LEGAL RAPES  
LEGAL RAPES  
The court decides he can not be blamed  
All religious needs must be obeyed  
See we must consider his tragic life  
So they smile and claim it's not a crime  
LEGAL RAPES
