

Metalheads

Unleashed

All right
You Metalheads
Get on your feet
'n dance with the dead
Gonna raise hell
Yeah hell's unleashed
Don't need no mortal cure
For our release

Come on bang your heads
Yeah, bang your heads
Come on bang your heads
True metalheads

Hell yeah,
That's how it goes
Rock hard and heavy
At every show
All true as steel
Metal is our game
We're goin' sick tonight
Don't feel no shame

Come on bang your heads
Yeah, bang your heads
Come on bang your heads
True metalheads
Come on bang your heads
Yeah, bang your heads
Come on bang your heads
True metalheads
