

## One Night in Nazareth

Unleashed

Oh, Virgin Mary, maiden of the lord  
You are the chosen one, one lucky whore  
Don't be afraid now, you've got grace with me  
I'll come upon you yeah in just a little less harmony

I'll be your incubus  
The angel you can trust  
I don't need you to breed  
Just swallow all my seed

One night in Nazareth, with the chosen one  
So let it be written, so let it be done

I'll be your incubus  
The angel you can trust  
I don't need you to breed  
Just swallow all my seed
