

## Open Wide

## Unleashed

Evil wrath  
Live forever  
Deep inside  
Strong as ever  
Growing hate  
Rising higher  
Open wide  
Spit forth fire

...open wide

As endless force  
Silent churning  
No control  
Of hatred burning  
The beast will rise  
Eyes on fire  
Must unleash  
Dark desires

...open wide

Arise like steam  
Reaching higher  
Free at last  
A storm of powers

...open wide

Evil wrath  
Live forever  
Deep inside  
Strong as ever  
Growing hate  
Rising higher  
Open wide  
Spit forth fire
