

## Precious Land

Unleashed

Be hailed oh precious land  
That in greatness and glory stands  
Here where ancestors walked  
Forever be my heart

Precious Land  
Hail  
Precious Land

Oh, as the inter fades  
Behold, the nature awakes  
Oh, feel the wind caress  
Here where my soul can rest

Precious Land  
Hail  
Precious Land

Sun, come cast your spell  
And bring forth life  
Where spirits dwell  
Forever  
Come morning, day and light  
Embrace the silence at night  
Come lust and beauty great  
Oh, precious land ba hailed
