## **Precious Land**

Unleashed

Be hailed oh precious land That in greatness and glory stands Here where ancestors walked Forever be my heart

Precious Land Hail Precious Land

Oh, as the inter fades Behold, the nature awakes Oh, feel the wind caress Here where my soul can rest

Precious Land Hail Precious Land

Sun, come cast your spell And bring forth life Where spirits dwell Forever Come morning, day and light Embrace the silence at night Come lust and beauty great Oh, precious land ba hailed
