

## To Miklagård

Unleashed

From Birka the norsemen set sail  
Across the wide open Baltic sea  
At Ladoga and Novgorod they settled  
Slaves and fur they would trade for silver and silk

Forward to Miklagård

On the Djnepr, they struggled to pass Aifur  
Around Kiev, tribes and folk were gathered  
And the new master's name was the infamous Rus!  
Two thousand ships that sailed the Black sea...
