

Your Children Will Burn

Unleashed

Religious filth, spreading like the plague
Bombs and prayers
The damage you've done, will not be gone
In a thousand years

The world will be mine again

I will bring you
Destruction, hatred and terror
You will bleed for me
Destruction, hatred and terror
You children will burn

I laugh at your faith, you are all the same
Maggots of God
Prophets and priests, and their fascist beliefs
Will be torn apart

The world will be mine again

I will bring you
Destruction, hatred and terror
You will bleed for me
Destruction, hatred and terror
You children will burn
