On The Edge

I've changed my world When you were away, I'm waiting... That is my truth... without you That is my escape

I close my eyes You disappeared behind the doors of my heart I can't listen to your lies I don't hear your bitter words

I can't look in back I search for my love I search for my luck I can't be taken care of

I close my eyes You disappeared behind the doors of my heart I can't listen to your lies I don't hear your bitter words I close my eyes You disappeared behind the doors of my heart I can't listen to your lies I don't hear your bitter words

This time has been lost Never were together, And never will be... Now you suffer the most

You light my fire when I fall You light my fire when I fall You light my fire when I fall You light my fire when I fall

I close my eyes You disappeared behind the doors of my heart I can't listen to your lies I don't hear your bitter words I close my eyes You disappeared behind the doors of my heart I can't listen to your lies I don't hear your bitter words
