

Zombieboy

Unter Null

I want to be your zombiegirl
And you can be my zombieboy
You have my heart, now give me yours
Let's play dead before we die

I want to be your zombiegirl
And you can be my zombieboy
You have my heart, now give me yours
Let's play dead while we're alive

I want to be your zombieboy
And you can be my zombieboy
You have my heart now give me yours
Let's play dead before we die

I want to be your zombiegirl
And you can be my zombieboy
I have your heart right in my hands
Let's play dead before we die

Can you be my zombieboy?
Can I be your zombieboy?
Can you be my zombieboy?
I will be your zombieboy
