

# Dark Dayz

## Unwritten Law

They say down in Califony that the sun  
always shine  
But I'm here to tell you bout a little place  
called the bass line.  
Coke snorters, dope smokers and pills  
And if you got a couple bucks you can  
get your thrills (and if you got a couple bucks you can  
get your thrills)  
From a long black beauty at the bottom  
of the hill.

She'll get you up  
Get you down  
Get you all around  
She'll get you up  
Get you down  
Get you all around.

I can't tell you it'll be alright  
(okay)  
I can't tell you it'll be okay  
(alright)  
I can't tell you that it's all gonna be  
how you like it  
(welcome to the bass line).

Dark Dayz and darker nights  
Come get your kicks under the neon lights.  
Dark Dayz and darker nights  
I said it's going to be a long long ride  
And we're gonna be up all night.

I need a little more what you got for me  
She said I got some of those and a bottle of these.  
Let's take a little walk down by the sea  
I'll be the devil on your shoulder if you follow me  
Follow me into the dark  
She said got what you need if you got what I want.

(Chorus)

We go on and on yeah

What if I told you that we may not make it back  
Would you still roll if it was all I had to ask  
My love I'm cold just keep on holding on

Dark Dayz and darker nights  
Come get your fix under the neon lights.  
Dark Dayz and darker nights  
Said it's going to be a long long ride  
And we're gonna be up all night.
