

## Geronimo

### Unwritten Law

Don't wanna think about it anymore  
Lying curled and naked on the floor  
And I don't wanna hear those words you say  
What were they anyway  
Oh-oh-oh  
Oh-oh-oh  
So here I go (so here I go)  
Oh-oh-oh  
Oh-oh-oh  
Geronimo  
Don't wanna get up out of bed today  
It seems much hard than was yesterday  
And I don't wanna hear those words you say  
What were they anyway  
What were they anyway  
Geronimo!  
Let's leave today a  
And forget everything  
Can't really take this place  
So what you say  
Let's leave it all behind  
And don't look back  
We won't rewind this time  
Let's get away
