

# Superbad

## Unwritten Law

I'm known throughout the barrio as vato loco  
cause I hold Pico down like it's Acapulco  
Put my momma in a choke hold if she don't pay  
Listen old lady you got three days

Cause I'm bad bad Superbad  
Go run home and tell your mom and dad  
I'm bad bad Superbad  
But you can bet your ass I'm the best....

I want it right  
And I want it now  
I want the whole world wrapped round my middle finger  
now  
I want it now.

I've been to jail, I've been to rehab  
Three square meals a day, I ain't mad  
I watched my house burn down right in front of my ass  
and now I'm camped out down in Carlsbad.

Because I'm bad bad Superbad  
Go run home and tell your mom and dad  
I'm bad bad Superbad  
But I'm the most fun you'll ever....

I want it right  
And I want it now  
I want the whole world wrapped round my middle finger  
now  
I want it high  
And I want it low  
I WANT IT ALL IN THE MIDDLE  
JUST NEED A LITTLE  
Give it to me simple  
ooh I want it now.

So listen up  
Starting yesterday this whole fucking place is mine  
I want the top  
I want the middle  
And I want the bottom  
If I can't have 'em  
No ones got 'em  
And on a third note  
I'm the illest ever  
You're friend already knows  
So don't try and tell him

YOU KNOW I KNOW YOU KNOW

I want it right  
And I want it now  
I want the whole world wrapped round my middle finger  
now  
I want it high  
And I want it low

I want it all in the middle  
Just need a little  
Give it to me simple  
ooh I want it now.
