

# Superman

## Unwritten Law

You've been on my mind and I don't think I have the time,  
to listen to your voice,  
I've heard it all before, it's been seeping through the floor,  
Shut behind closed doors,  
But I can see right through you now,  
The beneficial lies are told to keep us with closed eyes,  
Shading what's in store,  
I guess it's up to me to find the luck and turn the key,  
And open up these doors,  
But I can see right through you now....

Ah yeah I'm superman,  
A three-piece suit and masterplan,  
Here I come to save the day,

Ah yeah I'm superman,  
A three-piece suit and masterplan,  
Here I come to save the day,

Well you've been on my mind and I don't think I have the time,  
To listen to your voice,  
I've heard it all before, it's been seeping through the floor,  
Shut behind closed doors,  
But I can see right through you now,

Ah yeah I'm superman,  
A three-piece suit and masterplan,  
Here I come to save the day,

Ah yeah I'm superman,  
A three-piece suit and masterplan,  
Here I come to save the day,

I don't want to follow,  
You can't make me follow,  
I don't want to follow,  
You cant make me follow now,

Ah yeah I'm superman,  
A three-piece suit and masterplan,  
Here I come to save the day,

Ah yeah I'm superman,  
A three-piece suit and masterplan,  
Here I come to save the day,
