

## Game Over

## Upon a Burning Body

We will not be denied;  
Our heart; truth and pride.  
We can not be confined.  
These we will live by.

We will not be denied;  
Our heart; truth and pride.  
We can not be confined.  
These we will live by.

So if you ain't running with us,  
Run from us,  
Motherfucker.
