

Intermission

Upon a Burning Body

Steady from the ground up
Take it down
Line 'em up so they can get knocked down
This room is up in smoke, I'm gonna fucking choke
Welcome to the jungle
The daily ritual has begun
Lets blow the roof off of this motherfucker and get loose
Bounce, til the break of dawn
We will be going strong
The wheel of death has come for everyone
This is a real song about our real lives so put your drinks up
cause
Tonight we're gonna party like it's 1999

This party's done but the next one has just begun
Not drunk is he who from the floor can rise alone and still drink more
Blackout
This is the anthem of our new generation
So lets take it all down
This is our anthem, get down

(Yo whadup bitch we got it from the east to the south, I'm talking about a
Burning body mother fucker! I want glasses up, San Antonio I'm a meth
Farmer)

Here's to you, here's to me
The best of friends we'll always be
But if we should disagree
To hell with you and here's to me
CHUG! CHUG! CHUG! CHUG! CHUG!
Take it down
Now we're falling, the ground keeps calling
Set 'em up, knock 'em down
