

You Think You Can Satisfy Me (Uh Huh)  
You Can't Satisfy Me  
What You Bringing To The Table Man (A Lot More Than That)  
I Hope So Anyway  
You Can't Even Get Next To Me (With That)  
No, It Takes A Lot More Than That  
Buddy Come On (A Lot More Than That Man)  
Bring It On Poppy  
Bring It On

I'll Buy You A 600 Black Mercedes  
I'll Fly From The East To The West Coast Baby  
I...Will Do Anything Just To Make You...  
All You Gots To Do Is Call My Name  
And Baby I'll Make You...

Listen,  
Say I Will Do Anything  
Just Hear You Scream My Name  
All You Gotta Do Is Call On Me  
And I'll Be There In A Hurry  
Don't Give A Damn What A Player Hater Say  
Cuz You Know That You My Baby  
You Got Me Going Bout 180  
Cuz Your Love Just Drives Me Crazy

I'll Buy You A 600 Black Mercedes  
I'll Fly From The East To The West Coast Baby  
I...Will Do Anything Just To Make You...  
All You Gots To Do Is Call My Name  
And Baby I'll Make You...

And You Can Hit Me Up In The Morning  
You Can Hit Me Up In The Evening  
And I'll Be There When You Call  
Even When You're At The Mall  
Ah Girl It Don't Matter The Reason  
Cuz Lil Mama It's Flossin Season  
My Heart Beeping, I Don't Know If It's Breathing  
Cuz Horse Said Daddy Take It Easy  
Cuz You Wanna Do To Me Just Teasing  
But I'm Real Baby Please Believe Me

I'll Buy You A 600 Black Mercedes  
I'll Fly From The East To The West Coast Baby  
I...Will Do Anything Just To Make You...  
All You Gots To Do Is Call My Name  
And Baby I'll Make You...
