Breakdown

URBANDUB

I believe in you I've been thinking about all the things that you do Your eyes when they stare leaves me weak I like the way you sweep me off my feet Now I can't speak...

I breakdown when you're not around.

I believe in dreams I've been taking my time to see, If we'll ever meet Baby your eyes when they stare leaves me weak I like the way you sweep me off my feet Love I can't speak...

I breakdown when you're not around.
