Life Is Easy

URBANDUB

Check the waves
Crashing down right by the sand
Feel the water go through my empty hands
Cuz today is mine
No troubles in my mind
Out this cynical world, ooh
Out this cynical world
Today we ride the waves

Riding on the curl
Straight into the shore
Take it easy, take it easy
Under the sun
Having fun cuz life is easy
Life is easy, Life is easy

I don't really care what people say
Cuz they really don't know me anyway
Cuz today is mine
No troubles in my mind
Out this cynical world, ooh
Out this cynical world
Today we rule the waves
My mind is free today
The tides they center my soul
Time and time and time and time again

Life is easy, Life is easy, Life is easy

Riding on the curl
Straight into the shore
Take it easy, take it easy
Under the sun
Having fun cuz life is easy
Life is easy

Riding on the curl
Straight into the shore
Take it easy, take it easy
Under the sun
Having fun cuz life is easy

Life is Easy, Life is easy, Life is easy
