I Sweat Every Time You Cross
I Break, Every Time You Stare
So Much To Say, So Much To Give To You
So Much Love, So Much Heart To Give To You
But, You're A Superstar
That's What You Are, You're A Superstar...

I Have Your Picture
That You Never Gave
I Can Stare At It Forever
What Else Is There To Say?
I Have Your Picture.

I Cry Every Time You Smile
Cuz I Wonder How It Would Feel
To Be Next To You
I Stare From A Far
Admire You In The Dark
So Much Love, So Much Heart To Give To You.

I Have Your Picture
That You Never Gave
I Can Stare At It Forever
What Else Is There To Say?
I Have Your Picture.
