

## 76 Ball

### Urge Overkill

On a night like this I found Miss Celine  
On a freeway to bliss it's a guarantee  
Take a ride like this I've got what you need  
Guaranteed

There's a chill in the spine now  
76 ball  
It's all turning round  
I hope I'm coming down

Take a ride like this I've got what you need  
On a freeway to bliss it's a guarantee  
On a night like this I found Miss Celine

Guaranteed
