

On the inside there is a man there  
strapped in a black chair  
Ask him his name and he'll say:  
I AM THE LATE ALPHA OF ELECTRIC OMEGA  
TRIED AND FRIED DOWN IN GEORGIA  
BUT MY BODY WON'T DIE - HIT ME AGAIN!  
Fried on the inside  
but alive on the outside  
Two-minute warning sounds  
Enthroned is a killer  
He's dubble dead now  
I'M WALKIN' DOWN DEAF ROW  
DON'T WANT MY MAMA TO KNOW  
HER LITTLE CHICKEN  
TOO YOUNG TO FRY  
Are you scared of dying?  
I DON'T MIND IF I GO  
Tell me why you're crying?  
I DON'T KNOW - HIT ME!!  
Tell me Alpha Stephens boy,  
what'd you try to pull?  
Southern white girls are sacred  
so then why'd you lose control?  
PLUG HIM IN  
NOW NOW - ALPHA  
DUBBLE DEAD NOW
