

Quality Love

Urge Overkill

Now I was a long haired boy
Always looking for trouble
And I always remember
Never having any trouble finding it, no
Now I'm all through my teens
I'm through with their callous scene
But I'm still a long haired gent
And I know I keep searching for
Something more than fast action guaranteed
I want quality love now
Quality Love now
I never knew what I wanted
I never knew all I need is
Quality Love, believe it
Quality Love, better keep on dreamin' about it

Get your Quality Love

Quality Love, believe it (yeah)
Quality Love, better keep on dreamin'
Mmmmm
I want Quality Love
Quality Love now (yeah)

I don't know what happened to you
That you keep on fighting and fighting
Try finding some quality love
For the strength in yourself
Somewhere your dream went to hell
I keep on lookin' for the quality love
Quality Love, believe it
Quality Love, keep on dreaming
Quality Love, believe it
Quality Love, believe it
