

## Today Is Blackie's Birthday

Urge Overkill

oh, (that) baby, you look so tired  
a full-grown baby  
you're growin' so tired of growin' old  
and how old are ya'?  
and were you ever (really?...baby?)  
there'll be a new Sun risin'  
for another day's passin'  
over your gray horizon

today is the first day of the rest a' your life  
time goes away  
you've thought about checkin' out and don't deny it  
time goes away  
but if you really wanna can the music,  
you better sleep on it  
fill your life with the love or lose it,  
like a' rock 'n roll music  
no more agin' now  
today you're gonna help celebrate Blackie's birthday  
he's 22 today  
it's Blackie's birthday  
he's 22 today  
so you're gonna get up  
you're gonna wrap him up a big surprise  
today is Blackie's birthday  
and we'll sing happy birthday to you

today is the first day of the rest a' your life
