

## View of the Rain

Urge Overkill

I don't try anymore, 'cause only booze improves with age,  
I don't fight anymore, but sometimes my fists clench up in rage  
And I don't cry anymore, but sometimes my skies get cloudy  
And sometimes them clouds rain down upon a dream,  
But I don't mind anymore 'cause now my mind is wasted on a dream

Take a walk upside yourself,  
Get to know the person behind the face,  
Is it someone you can really love?  
Is it someone who looks down from above?  
With a view of the rain  
Rain

I don't smile anymore, too many smiling faces lie,  
I don't pray anymore 'cause too many of God's children die, yes they do,  
And I don't love anymore, you said you knew where love is,  
I never knew where you was coming from,  
But I don't mind anymore 'cause now my mind is wasted on a dream  
Mind wasted on a dream

You've got to  
Take a walk beside yourself,  
Get to know the person behind the face,  
Is it someone you can really love?  
Is it somebody who looks down from above?  
With a view of the rain
